The meeting was called to order by Cindy Newton at 6:15 PM.

A review of the September 27, 2016 was discussed. It was determined that the erosion issue was not addressed and needed to be discussed again. A motion was made to approve the minutes by Cindy Newton, seconded by Edward Holbert. The motion passed unanimously.

The 2017 budget for the beach was set at \$9,250.00 this is an increase of \$175.00. 2016 expenses for the beach totaled \$9,425.70. The reason the expenses were so high was due to damage through the winter.

Beach cleanup will be Friday, May 26, 2017 from 9:00 AM to 12:00 Noon and Camp Berea will send volunteers to help with the cleanup. It was discussed that the swim line will be on the same day.

These minutes may be amended at a future hearing. Any changes will be included in the minutes of that meeting.

There will be a new picnic table that will need to be assembled. Stan Newton will pick it up and bring it down from the town shed.

Compensation for the Beach Attendant was discussed and would remain the same as the prior year along with the same schedule the attendant would be on duty.

Only town supplied grills are to be used at the beach and this will be added to the sign of rules for the Beach.

Weekly cleanup of the beach was discussed and was decided that it would be tabled at this time.

There was discussion of people parking at the Gray Rocks Parking and walking into the beach. As the beach is for the residents and tax payers of the Town of Hebron, there was discussion if other individuals outside the town are using our beach. Cindy will find out if it's okay to put two signs up stating that this.

The beach attendant mentioned that the committee needed to purchase a new first aid kit. Cindy will look into this and find just what needs to be included in this kit.

With no further business Cindy Newton made a motion to adjourn at 6:46 PM, seconded by Edward Holbert. The motion passed unanimously.

Respectfully Submitted:

Carol A. Bears, Secretary
