

Hebron Conservation Commission

Approved Minutes

May 17, 2023

In attendance: Martha Twombly, Paul Connor, Debbie James and Barb Kohout.

Meeting called to order at 7 pm.

Barb was elevated to full member.

Minutes

April 2023 minutes will be reviewed next month (June).

Permits

1. Onaway Wetland Permit by Notification – for the construction of a concrete pad for an elevated “storable” aluminum dock at their existing beach location at Camp. Very little to no impact to lake, erosion controls during construction.

Mail

Grafton County Conservation District brochure of news and events.

Hebron Town Forest

1. Trails raking date: Saturday, June 3, 9 – 12.

Article for June Hebron Newsletter

Martha would like to invite residents to attend the next HCC meeting in June to discuss and clarify Hebron’s **Wetlands Protection Overlay District**, following its fail to pass revisions at town meeting. Martha will draft that article, and review with members, before submitting to Alison for inclusion. Also to be included are photos of early spring wildflowers (Martha), an invitation to the June 3 Trail Workday (Suzanne), and an invitation to HCC Summer hike series (Barb).

Martha will also make sure the correct map for the WPOD gets to Tracey on the Hebron Zoning website.

Hebron Fair

Barb is spearheading display. Members are researching materials for more kid’s activities, including Play dough “tracks”.

Paul made a motion, Debbie seconded, all voted unanimously to adjourn the meeting at 8 pm.

Respectfully submitted,

Martha Twombly
