Hearing:

Case #285

The applicants requested a special exception to build a two bedroom house with an attached garage that would include a one bedroom apartment over the garage. This apartment would require a special exception under Article IV, Section X Accessory Dwelling. The property is located on Hobart Hill Road, Tax Map 18 Lot#19-1.

Mr. McQuilkin explained the four criteria that are reviewed during the review of the application and documents that are attached.

John Giller indicated that the garage would be attached to an enclosed mud room that would also be attached to the house, which would meet the requirement of Article IV, Section X which states the ADU must be attached and not a separate unit. There would be access to the one bedroom apartment through the garage and also to the right of side of the driveway. This would meet the town's fire code for being able to exit the building safely.

The Board thoroughly reviewed the four special exception criteria and unanimously concurred that all were fully satisfied. The Board found that the special exception was not contrary to public interest as all abutters were properly notified of the hearing and those responded were in favor of granting the variance. The Board also believes the spirit of the Special Exception is observed since the apartment will provide a rental opportunity in Hebron. There would not be an off street parking issue as there will be parking for a tenent. The Board felt that the surrounding property values not be negetibly impacted.

A motion was made by Roger LaFontaine to accept the application as submitted per the application for the ADU. The motion was seconded by Curtis Mooney. The vote was in the affirmative with everyone voting in favor of the special exception.

Mr. McQuilkin reminded the applicants that anyone could challenge the ruling within 30 days of the Notice of Decision.

Other Business:

Doug indicated that after losing two members of the board that we would need to look for alternate members. A few suggestions were Mark Coulson; David Hardy; and Suzanne Smith.

Adjournment:

There being no other business, Derry Riddle made a motion, seconded by Curtis Mooney, to adjourn the meeting. The motion passed unanimously, and the meeting was adjourned at 7:37 p.m.

Respectfully submitted,

Carol Bears, Clerk
